

K-LOVE serves me as a resident of our local community by providing 24/7 christian music and broadcasting such valuable information to families as Dr. James Dodson's messages on family values and difficulties. K-LOVE is the best radio station I have ever heard. The complete absence of commercials and advertising of any kind is essential to conveying the Christian message to those in need of spiritual guidance. K-LOVE has brought thousands of people to Christ since its inception and has saved an untold number of marriages and families from destruction.

If K-LOVE were to be displaced by an LPFM broadcaster providing other programming, the result on our community would be devastating. Thousands of listeners depend on K-LOVE for immediate spiritual guidance in tough situations. No other radio station in this community can provide the access to trained guidance professionals who can serve those in need through K-LOVE's toll free call-in number.

The service provided by K-LOVE is in the public interest. K-LOVE is 100% listener-supported by persons like me because we believe in the value of K-LOVE radio on our own lives, our family, friends, but, most importantly, the public at large.
